Next Year's Leaders: Sullivan '52; Rovinski '53 and McDonald '54

Sullivan *McDonald* *Rovinski*

With a fine show of democratic idealism and an utter disregard for conventionalism, the students last week elected their leaders for the coming '51-'52 year. While the votes were being cast, the air on campus was full fo campaign slogans, the campus sparked with party parades, and the poles were a bee-hive of activity. Never before in the history of SMC was there such a show of spirit and enthusiasm in class officer elections.

SENIOR RESULTS

The Senior Class next year will be headed by Bob Sullivan of Schenectady, N. Y., and Vice-President, John Burke of Lynn, Mass. Don Slaven was voted as Secretary with Leo "Pete" Plourde as Treasurer. Slaven is from Beverly, Mass., and Plourde from Bennington, Vt.

Student Council members for this class will be Bill Cooke of Pembroke, Bermuda, and Tom Shields of S. Weymouth, Mass.

JUNIOR RESULTS

The Class of '53 will be represented by President Walter Rovinski of Harrison, N. J.; Vice-President Leo Floyd of Lancester, Mass.; Secretary Owen Murphy of Worcester, Mass.; and Treasurer John Barry of Greenfield, Mass. John Roth of New York City was elected to the Student Council.

SOPHOMORE RESULTS

The Golden Jubilee Class of '54 voted straight Squire's ticket with Jim MacDonald of Concord, N. H., leading the Class, Paul Landry, also of Concord, N. H., will be Vice-President. Edward Hettinger of Marblehead, Mass., was voted Secretary along with Bill Levins of Rutland, Vt., who was elected Treasurer.

Bob Nugent was elected Student Council Representative for the class.

CLASS OF '51 LEAVES GIFT

Following the admirable precedent established by their immediate predecessors, the Class of 1951 is planning to present a parting gift to the college. The class has voted to donate a fund for the purchase of a stained-glass window to be installed in the proposed Chapel, the next permanent addition to be erected in the building of "the greater St. Michael's." Last year the Class of 1950 began this custom by erecting the beautiful shrine of Our Lady of Fatima on the campus behind Prevel Hall.

James Barry, Senior Class President, announced that the donations of class members are expected to amount to nearly $500 which sum will then be turned over to Very Rev. Daniel P. Lyons, President of St. Michael's, who will use the money for a chapel window at the time the new building is erected.

Deadline Set For Draft Exams

The deadline for receipt of Selective Service College Qualification Test applications has been extended to May 25, by Selective Service, Educational Testing Service announced today. All applications must be in the hands of Educational Testing Service by May 25, 1951. This applies to the July 12 date for those students whose religious beliefs prevent their taking the test on a Saturday, as well as to the June 16 and June 30 testings. Applications are no longer being processed for the May 26th administration and no further tickets can be issued for May 26.

CONDOLENCE

The MICHAELMAN extends its sympathy to John J. Cameron, '51, on the recent death of his father.

The moderator of the MICHAELMAN would deeply appreciate getting back his editorial scissors initialed "JDD" and borrowed earlier in the year from the Public Relations Office.

Any Senior who plans to do graduate work with the aid of the G.I. Bill must have his letter of eligibility on or before June 4, 1951.

K & K Will Present "Brother Orchid"

The Knights and Knaves Dramatic Society will once again treat the surrounding area to good theater. Rev. Edward Tining S.S.E., moderator and director, has announced that Leo Brady's "Brother Orchid" will be presented at St. Michael's Playhouse in the near future.

GANGSTER TURNS MONK

The story is a heart warming one which centers around John Sarto (Al Castellana), a ruthless gangster with a Napoleanic complex, who has returned from ten years in prison to find his throne has been usurped and that he is to be "taken for a ride." He escapes his would be murderers and takes refuge with the Little Brothers of the Flowers, a community of monks, as John Sarto puts it, who do nothing but "pray and herd posies."

STORY CONTINUES

Brother Nasturtium (Fran Barrett), ex-prizefighter, Brother Hollyhock (Bernie Hermans), the community physician, and Abbot Jonquil (Bill Kennedy) show John a kindness and a way of life he never knew possible, and he begins his regeneration by changing his name to Brother Orchid. His chance to do "something big" comes when his former cronies attempt to break into the flower market, which is the brothers' sole means of existence.

Fat Dutchy (Joe Blasie), the dumb, genial bartender, is the only one of Orchid's old friends who remains faithful to him in his new way of life. How Brother Orchid handles the mobsters and becomes an unsung hero make the climax of the play.

EXPERIENCED CAST

Others in this star-studded cast are Jim Boyle as Freckles, a mobster with a bad case of nerves; The Gimp, played by George Filteau, is the "big noise." Solomon, a pleasant Hebrew and another member of the gang, is played by Ed Ruest.

Frank Corica will appear as Dominic Battista, an Italian street vender unwillingly paying protection money to the mob. Dum-Dum, the deaf and dumb but obedient trigger man, is portrayed by Ed Freeley. Brother Geranium, the troubled novice who turns to no other than Brother Orchid for help, will be portrayed by Don Resse.

A pleasing blend of Tragedy and Comedy goes to making this play "a must" for all. The date of opening night will be announced shortly.

An Editorial

The St. Michael's activity calendar is now drawing to a close. With the end of the collegiate year the duties of the Student Council of 1950-51 are nearing completion.

During the past year the Council has worked hard in order to provide our students with a well-rounded activity program as well as to represent you to the best of our abilities before the administration, the faculty and the public.

The tasks of the 30 man Council have been numerous, at times difficult and sometimes without reward, yet the Council feels that the effort given on behalf of the students was well worth it.

The Council was in charge of the Frosh Week program. As soon as the upperclassmen returned, we went to bat for the Juniors and had their light hours changed. The finance committee allocated the club budgets and drew up a financial policy for the clubs on the campus. It was through this committee working with Fr. Stankiewicz that a student loan fund was instituted.

The Council sponsored a football dance the weekend of the U.V.M. game. Later they took over the operation of the campus movies and passed judgments on all dances and college activities to help insure profits wherever possible.

The nominees for Who's Who were in part chosen by the Council, which also sponsors the senior award program and the student wives commencement.

On the recommendation of a Council member copies of the 1950 yearbook were mailed to students drafted or otherwise unable to finish college. The Council constitution was printed in pamphlet form so that all the students would have an opportunity to know their rights and duties under it.

Though we did not succeed, the Council fought the Burlington Transit Co. over increased bus rates. We again failed to gain a lengthening of library hours but we are still of the same opinion.

We really stuck our neck out while handling "Operation Disaster," nevertheless we were responsible for organizing a much needed program. In view of the public interest, the Council financed the Night of Knights show for the Burlington Boys' Club, as well as conducting the Red Cross Blood donor drive.

The aforementioned tasks were many and varied, yet the entire Council knows that without the wonderful help, encouragement and understanding of each and every one of you Michaelmen, our work would have never been completed or in any way successful.

We, each and every one of us thank you for all that you have done for us. We only hope that we have lived up to the confidence that you placed in us, and have provided for your needs successfully during the year.

Timothy C. Murphy, President of the Student Council

The secretary for the coming year is Peter Chiacchieri of Roxbury, Mass., while Paul Pinard of Barre, Vt., was elected treasurer.

Michaelman Closes Another Year

This issue of the MICHAELMAN *is the last of the current 1950-51 school year. Thanks to the avid support of both the students and administration, we were able to make this student newspaper an accurate and interesting source of student information. We have tried to present both sides of an issue to the readers and have tried to be as liberal as possible, in the presentation of student's opinions with, we believe, good results.*

We wish to thank Very Rev. Daniel P. Lyons, president of the college for his active interest in the MICHAELMAN. *Our special thanks also go to Mr. John Donoghue, Public Relations Director of the college and moderator of this newspaper. Without Mr. Donoghue's technical and moral support this paper, in many instances, would never have been issued.*

And above all, we hope that we get as much support from the student body next year as we have in the past.

Sincerely,
The Editors....

Ruest Elected Pres. of Pen & Mike

Summer Theatre Features Catholic U. Players

Players, Inc., Catholic University's touring repertory company, scored such a hit here last month in "Much Ado About Nothing" that Rev. Gilbert Hartke's professionals will give an eight week season this summer at St. Michael's College Playhouse.

Very Rev. Daniel P. Lyons, President of St. Michael's, announced signing of contract with Fr. Hartke who flew up from Washington. With Fr. Hartke was Charles Nelson of Catholic University drama department who will be in charge of the St. Michael's company as coordinator.

St. Michael's affiliated academically with Catholic University, has operated a 500 seat summer playhouse for the past four years in conjunction with its summer session.

Prof. Henry Fairbanks, head of St. Michael's College drama department, is currently completing doctoral work at Notre Dame University. He initiated negotiations leading to the contract and remains as executive director of the Playhouse. The College expects to expand its drama offerings not only during summer, but also during regular session.

Season opens July 3, runing Tuesday through Saturday evenings. Scheduled for opener is J.M. Synge's farce, "Playboy of the Western World".

Three cash scholarships are waiting to be taken up by some college students willing to show what they have during the summer months.

The summer job is both full or part time for the student with a 20% commission on all sales of a nationally advertised and guaranteed article. Sales territory will include Burlington, Rutland, and St. Albans, Vt.

Transportation will be available for those without cars. Expense accounts for those with their own cars.

Hilltopics by Bill Keogh

This past year has found the by-line of one Dan Tarpey. Dan'l has been under the yoke of editing copy handed in by the potential Grantland Rices of the staff and make it readable. He deserves a lot of credit.

We all disagree with one another at times and especially when it comes to the sporting scene. Everyone has his own pet peeves and is willing to argue them to the hilt with anyone who will oppose him.

Such is the situation with "Hilltopics" writers. Now it is our turn. WJK will stick out his neck to the onslaughts of all. My pets are few and far between but as my predecessor leaned towards the Braves from Boston, so do I tilt toward the Yanks. While I'm learning the ropes and getting the feel of things, I'll keep to the straight and narrow rather than have anyone's wrath called down at the start.

In the year to come, it will be our duty and privilege to treat "Hilltopics" as objectively as possible except where we indicate our idiosyncracies (look it up).

Let's go back through the space of time to look at some memories. Do you remember when? Hopes of an undefeated football season were dashed when Springfield set S.M.C. back on its heels with a 23-0 score...Pete Plourde ran wild against Hofstra...Andy Robustellix and Al Webb thrilled St. Michael's fans with their football prowess ...Football thriller of the year was A.I.C. vs. S.M.C. We won! The Frosh gridders were undefeated in their grid campaign...Frank Simas topped the scoring for the varsity with 73...Basketball season then stole the spotlight...How many times did you hear: "We should have beaten Tufts?" After that quintet had broken our six game winning streak...Great victories over Texas Wesleyan, Creighton, and Loyola...Best athletic contest of the year, missed by most of the students on Christmas vacation, was the win over Taylor University of Indiana ...Teddie hoopin' 'em with tops for the year at 30 against Champlain here...Number 1000 was a right-handed hook shot from the bucket over at Champlain...State Champs in Football and Basketball...(Wish we could say the same about Baseball!)...Oh! Lest we forget. Our basketball team made the N.C.I.T. in Albany but that's all. Lemoyne was just too good! Their star, Don Savage, who scored 33 against the Knights was drafted recently - by Syracuse of the National Basketball Association.

Congratulations are in order to all the coaches who have made St. Michael's name in the East. "Doc" Jacobs first and foremost for getting Western teams to come to Vermont. Also for his work with a great assistant Bill Piscione in turning out a winning football team. Barry Branon did a wonderful job with his basketballers despite protests from the grandstand managers. Angie Fioroni seems to have been the perfect choice by Athletic Director Jacobs for the position as Frosh baseball coach. Keep it up Ange! The same goes for star athletes that graduate this June. Outstandees such as Ed Markey, Dick Klaess, Joe Hermans, Jim Whitlock, Ted Burzenski, Dick Fitzgerald, Jim Devaney, Joe Palermo, Harry Young, Dan McCarthy, etc.

Jacobs' Teams Again Prove Asset To St. Michael's

Baseball: 3-5

5 Games to Go

By Bill Keogh

Coach George "Doc" Jacobs and his baseball students of St. Michael's have completed 7 games of a 13 game schedule at this writing, and have managed to come out on top only three times. Five contests remain to be played: Norwich, Seina, Middlebury, at Vermont, and at Champlain.

The season's opener was taken by Siena at Loudonville, N.Y., 12-5 when the Indians "tomtom-ed" 5 runs across in the first inning against Herb Gardner. Not since 1947 have the Knights won the opening game of the season.

Fine relief pitching by Lou Andreotta gave St. Michael's a 7-6 win over Norwich at Northfield but it took 11 innings and an error by the Norwich shortstop to accomplish the feat.

The Purple were not the perfect hosts to Vermont when the Cats visited Winooski Park only to be beaten by SMC 12 to 6. Joe Palermo hurled the victory.

St. Mike's scored 14 runs against visiting Champlain College but it wasn't enough. The Jays crossed the plate 17 times as walks and errors seemed to be the order of the day.

Joe Palermo had to come out second best to Middlebury's Barrie Storrs although the former pitched a better game. The Knights just couldn't hit in the clutch and could only push over two runs to the hosts', Middlebury, three.

The Larries of Canton, N.Y., scored 8 runs but they were inferior by 4 to the Purple Knights' 12. Jim Garvey "hit for the cycle" against the St. Lawrence club. Andreotta picked up his second win of the year.

Last Sunday Arnold College proved their slugging powers to St. Michael's when they drove across 11 runs in 7 innings while Jacobs' boys tallied 4. Ed Keating made his first starting assignment of the year but had to give way to Bill Gosselin in the sixth after having give up 8 rusn.

The line-up that "Doc" has been using for the first half of the schedule has been: Dick Fitzgerald (.357), 1b; Jim Garvey (.393), 2b; Ed Markey (.259), ss; Ken Casperson (.095), 3b; Jack Cronin (.2 7), Tom Sullivan (.286), Jim Devaney (.381), and Jack Whelan (.276) have been outfielders while Jack Smith (.222) has been doing the catching. Pitchers include ace Joe Palermo (1-1), Lou Andreotta (2-1), Bill Gosselin (0-0), Herb Gardner (0-1), and Ed Keating (0-1). Averages do not include the games with Williams.

Williams In Diamond Win Purple Evens Slate, Wins

The Placement Office is looking for a clutch hitter for St. Michael's baseball team. The need became more prominent when the Knights lost an 8 to 5 decision to Williams College at Williamstown, Mass., Wednesday.

The Knights' nine left 14 men on the bases. Pitcher Joe Palermo was the victim of his mates' lack of hitting and took his second loss in three decisions. The other loss for Palermo for the same reason was that to the State Champions, Middlebury, 3 to 2.

Williams jumped to a 5-0 lead before the Purple could cross the plate with 2 runs in the sixth inning. The Ephmen got these back plus one in their half of the frame to go ahead 8 to 2. The Jacobsmen got their final trio of runs in the 8th but still were four short of victory.

Hilltopics: by Bill Keogh

Two good right-handers matched wits Thrusday at Middlebury but one had to emerge the winner. The victor, one Barrie Storrs, took the honors and won his third consecutive game againstno losses. St. Michael's tosser had to take a 3-2 loss to Middlebury on the chin because the Knights were only able to punch out 5 hits to the home team's 9.

The Panthers started right off on Palermo as though they were going to fatten their averages. Paulson singled to left but was forced at second by Wendy Forbes. Ed Coppinger scored Frobes when his bingle followed Stalker's.

The Middmen added their final two runs in the 4th inning. Mike Hunt stwrted off by being Joe Palermo's fourth K victim. Backstop Bruce Curtis teed off on a Palermo pitch and sent it only a foot over the centerfielder's head and it rolled far enough to permit Curtis to circle the bases. Pitcher Storrs promptly singled to left and when Cronin couldn't handle the ball, went to second base. Dale Giffin's grounder by third scored Storrs. From then on, the Knights' Palermo got better and better and retired the next ten men in a row.

The damage had been done. Palermo was in good form but his mates couldn't hit in the clutch. Dick Fitzgerald tripled in the 7th after he had struck out in the 2nd with the bases loaded. Fitz scored SMC's first run as Jim Garvey was being thrown out. Middlebury then led 3-1.

NOTE OF THANKS

Diocesan Director
Rev. John P. Glancy
Burlington, Vt.
May 14, 1951

Dear Fr. Lyons,

I would certainly be lacking in courtesy and gratefulness if I did not write and thank you for the part you and your fine young men from St. Michael's played in the waste paper drive yesterday. Fr. Mulligan and I are most appreciative to you for supplying these young men, and they proved themselves a credit to their college and to the training they are receiving there by the manner they threw themselves into the task of covering the city and gathering in the paper. Our Don Bosco boys were thrilled to be in their company, and the chief conversation around the home last night was about the St. Michael's men and "what swell fellows they were."

Our sincere thanks to you and to them, and maybe in the near future we may be able to show our appreciation in a more substantial way.

Sincerely in Christ,
J. P. Glancy

Baseball

Continued from page 3

With the ninth inning coming around, visiting fans were pleading for at least 2 runs. Palermo led off with a base on balls but was forced at second by Markey. Eddie went to second when the second baseman threw wild on the attempted DP. Fitzgerald's fly to center advanced him to third. Garvey got another RBI when he pumped a Texas League single to left scoring Markey. Cronin ended the game by striking out.
